

Add a Text Comment to a Style

It is possible to add an editable text caption to a slide within a Style.

- Add a text object to a slide in Objects and Animation
- Right click on the text object to show the pop-up menu
- Choose Text Comment

- Create the Slide Style
- The Style will now have the parameter - "Caption"

The "Caption" can be used or applied with a default "Text". Once applied, the Text Comment is fully editable.
