Create Template for New Project

Templates

In the File Menu the TEMPLATES Option allows you to:

- Create a Template from a Blank or Completed Show.
- Manage Templates
- Set a chosen Template as a Default for a New Project

Create a Template for New Projects

- Open a New Blank Project
- Open Project Options from the Tool Bar of the Projects Menu or by Ctrl+P
- Make any settings that you wish to use as Default from the following sections:
 - Main
 - Audio
 - Control
 - Transitions
 - Screen
 - Defaults
 - Advanced
- In File / Templates choose "Make a New Template from this show" (**Ctrl+T**) and name it appropriately i.e. Template for new shows etc
- In File Templates choose "Manage Templates" (Ctrl+H)
