## **Text Formatting Tips**

## **Centre Point Anchor**

• In a Default Text Box in Objects and Animation the "Box" will expand vertically and horizontally according to the amount of text which is input

• Note that the Text Box in the above example is "Anchored" around the Centre Point of the Box and therefore expands both Vertically and Horizontally about the Centre

## **Centre Top Anchor**

• Moving the "Centre Point" to the top of the Text Box changes the way in which the text expands
