

# Terminology

The examples below show the placements of the various elements of the Main Screens. Please note that the placement of Tools on the various Toolbars can be configured to suit the user and might differ from the Default Tools Settings. See [Toolbars](#)

- The Main Menu
- The Top-Left Toolbar
- The Top-Right Toolbar
- The File Tree
- The File List
- The Slide List
- The Bottom-Left Toolbar

- The Mini Player
- The Timeline
- The Audio Tracks
- The Status Bar

For more information on Tools and Toolbars see [Preferences - Toolbars](#)

For more information on the Slide List and adding Image Files see The **Slide List View** below

For more information on the Timeline and adding Audio Files see The **Timeline View** below
