Timers			Optimised for 16:9. Add a BLANK slide and apply this Style.
Tutorial			
User styles			

- It is suggested that a Folder be created and suitably named (Exported Slide Styles)
- Exported Styles use the .ptestyle suffix

To Import a Style which has been shared with the PTE Community:

- Right click on TOOLS and choose IMPORT STYLE from the drop-down menu
- Navigate to the folder where the Style to be Imported is saved
- Double click on the Style to be Imported or click on OK
- The Imported Style will be imported into the Category designated by the Style Author
